

Privacy Policy

Updated 20 september 2017

This Privacy Policy is designed to assist you with understanding how SHARE ESTATE collect, use and disclose the information you provide us when accessing or using the website, www.sharestate.io

To find out what information we collect and how we use it, carefully read our privacy policy.

Privacy Policy Changes

We may change this Privacy Policy in our sole discretion at any time. Any revisions to this Privacy Policy will be posted on the homepage of our Website. It is your obligation to periodically visit our Website to review any changes that may be made to this Privacy Policy. Your continued use of our Website constitutes your agreement to be bound by any such changes to this Privacy Policy. If you do not agree with this Privacy Policy, you are not authorized to use our Website and your sole recourse is to not use our Website.

What information do we collect?

During your visit to our site, we can collect or request from you certain information for the further contact with you. Such information includes:

- Personal information that you provide yourself.
- Information that is collected automatically.

What is personal information?

Personal information is a unique data that belongs only to you. Personal information is collected only when voluntarily offered and solely for purposes that are clearly identified on our Website. Personal information means any information that is unique to you, such as your:

- Full Name or the name of an entity you represent;
- Username Password, if required;
- Email address;
- Cryptocurrency address of your public Ethereum wallet address;
- Mailing address and country of residence;
- Proof of Address;
- Scan of your Personal ID;
- Other personal information you choose to provide.

Using our website and providing us with your personal data, you consent to the processing of your personal data in accordance with this Privacy Policy. When communicating with us via e-mail or other sources specified in the "contacts" section, we reserve the right to process, store and publish your requests and contacts, as well as our answers.

What information is collected automatically?

When you visit our Web site, we can automatically collect the following information: your IP address, session, location, type and version of the browser, types and versions of browser plug-ins, operating system and platform, information about your visit, including complete unified resource pointers (URLs) visited when navigating from our Web site, information that you viewed or searched for, download errors, the length of visits to specific pages, and interaction with pages. Information is collected automatically using various technologies, including through cookies.

Use of the collected information

The collected information is used as follows:

providing, maintaining, delivering or improving our Website or the products or services provided through our Website;

- verifying that you are a unique individual or entity;
- conducting our white-listing process if you want to participate in SHARE ESTATE token sale;
- analyzing and tracking data to determine the usefulness or popularity of certain content and to better understand the online activity of our Website users;

• fulfilling our legal or regulatory requirements; • providing you with the information or products or services that you have requested; • answering your inquiry or responding to a communication from you; • developing new products or services; • sending you technical notices, support or administrative notifications; • communicating with you about news, products, services, events and other information we think will be of interest to you; • matching your Information with job vacancies to assist us in finding a position that is most suitable for you if you have contacted us about recruitment; • monitoring and analyzing trends, usage and activities in connection with our Website; • detecting, investigating and preventing fraudulent transactions or unauthorized or illegal activities; • protecting the rights and property of the SHARA ESTATE Parties (as defined below) and others; • linking, connecting or combining Information we collect from or about you with other Information; • carrying out any other purpose; • for other actions aimed at maintaining and optimizing the work of the platform.

Sharing of information

In accordance with this privacy policy, we share information in the following cases:

- (1) with your consent and on your behalf;
- (2) with our present and future subsidiaries, affiliated companies and other joint ventures;
- (3) with third parties who work with us;
- (4) when selling our company's assets, or merging with a third party;
- (5) when answering queries that satisfy the law;
- (6) while protecting the company's ownership rights.

The user's personal information remains confidential, except for cases of voluntary provision by the user the information about himself for general access to an unlimited number of persons. When using separate services, the user agrees that a certain portion of his personal information becomes publicly available. Please read the privacy policy of these services before sharing your personal information with them.

Protection of personal information

Our company takes necessary and sufficient organizational and technical measures to protect the user's personal information from unauthorized or accidental access, destruction, modification, blocking, copying, distribution, as well as from other illegal actions of third parties with it. But, as you know, the Internet and the computer in particular do not have a security system that will guarantee 100% of data security. Therefore, we disclaim responsibility for the content of data received from us via any communication channels. Also we cannot guarantee that your inquiries will always reach us. You agree not to make a claim to this and future legal entities and individuals who in one way or another are connected with SHARE ESTATE for any loss or damage of any kind incurred as a result of any misappropriation, interception, modification, deletion, destruction or use of information provided through our website.

Hyperlinks and third-party sites

Our site may contain hyperlinks to other sites. As soon as you leave our site, this Privacy Policy loses its force, and further we are not responsible for processing and storing your personal data collected on other sites. Our Privacy Policy does not apply to data collected by any third-party websites, so you should carefully read the privacy statements on these websites.
